We are presently carrying a Federal-Aid Primary status on Iowa 430 from a point on US 30 west of Ames to a point on US 69 in Ames. The rural portion of this route is still on Iowa 930. The municipal portion has been returned to the city of Ames. The city now wishes to include the urban portion of Iowa 430 in their interim Federal-Aid Urban System. This action is necessary so the city can let projects under the Federal Aid Urban System.

PROPOSAL/ACTION RECOMMENDATION:

Remove from the Federal-Aid Primary System the entire route of Iowa 430 from a point on US 30 west of Ames to a point on US 69 in Ames.
