COMMISSION ORDER

DIVISION: Planning & Research

SUBMITTED BY: Raymond L. Kassel

MEETING DATE: 11-4-75

DISCUSSION/BACKGROUND:

The recent acquisition of the Mormon Trail Bridge Road in Pottawattamie County included 5.18 miles of road which was previously owned by the Douglas County Nebraska Bridge Commission. The section of this road from the Missouri River east to Interstate 29 is now part of Interstate 680 which was approved by Iowa State Highway Commission Resolution 74-16. That action did not affect the section of road from Interstate 29 east into the Town of Crescent, which is owned by the State of Iowa but is not part of the State's Primary Road System.

PROPOSAL/ACTION RECOMMENDATION:

Recommend that the following described section of road and its extension be included in the State Primary Road System as Unsigned Iowa 988 in Pottawattamie County, Iowa.

Beginning at a point near the W $\frac{1}{4}$ Corner Section 27-T76N-R44W; thence in a northeasterly direction through Sections 27 and 26-T76N-R44W to a point approximately 330 feet east of the N $\frac{1}{4}$ Corner NW $\frac{1}{4}$ Section 26-T76N-R44W; thence east following substantially the section line along the south line of Section 25-T76N-R44W to the west corporation line of the Town of Crescent connecting with Mormon Bridge Road.

Crescent

Commencing on Mormon Bridge Road at the west-corporation line; thence east on Mormon Bridge Road to Iowa 183.
